**VILLAGE OF BAXTER ESTATES
ADDENDUM TO FENCE PERMIT
(Future Remedy of Violation)**

Building Permit No. _____

In the event that an adjoining neighbor notifies the Village that the fence installed under B.P. No. _____ has been installed outside the applicant's property, the applicant will provide the Village with a survey by a licensed surveyor indicating the exact location of the fence in relationship to the applicant's property.

In addition, the applicant will move the fence so that it will be installed solely on the applicant's property and will provide an updated survey by a licensed surveyor certifying to the above.

The fence will be in violation of the Village Code in the event the fence is not completely on the applicant's property.

NOTE: The "good" side of the fence must face the adjoining property. Fences may be no higher than four feet. No fence is allowed in the front yard.
